

Futura Community Business Partnership Scheme

Become a Futura Business Partner Today

At Futura Learning Partnership we are committed to working and developing partnerships with our local community and businesses. We want to engage with local organisations to help reinvest back into the Trust to develop the students' learning experience, enrichment and transition to higher education, apprenticeships or employment.

By becoming a business partner you will be helping to provide further business, career opportunities and support to over 3000 secondary school students across our 5 secondary schools. This can include mentoring activities, work experience, links to alumni, careers fairs, networking events and sharing apprenticeship opportunities. All of course, you can offer as much or little as you want.

The benefits

We have various levels of business partnership memberships to suit all budgets and needs. We want to reward your business for the financial support and your engagement with the trust. The benefits and rewards include:

- Ability to use and promote your membership - use of our trust logo to advertise your support of the scheme.
- Different levels of advertising within our newsletter with adverts or business profiles seen by 800+ staff and over 7000 parents/carers across all our primary and secondary schools.
- Logos on the Futura Learning Partnership Commercial Services' Business Partnership page.
- Banner advertising at either or both of our sports centres seen by thousands each week.
- Add your company details to the internal contacts list if you wanted the opportunity to quote for maintenance work/contracts*
- Free sports centre membership
- Discounted facilities hire within our trust schools.
- Enhance your Company Social Responsibility agenda
- One point of contact to promote apprenticeships and placement opportunities to our students.
- Attend network events

Also within the Trust we work with a wide variety of companies to maintain and support the running of our schools. Whether it is repairs, improvements, or expansion. With 15 schools, 2 sports centres, an In-house catering team and wrap-around childcare provision, it takes an army of resources to keep it all running smoothly. As part of the scheme we would add your company details to the internal address book, where you would get the opportunity to quote, if it was appropriate*.

By becoming a Futura Business Partner you will show a firm demonstration to your customers that your company is supporting your local community and our future generations.

There are 4 levels of membership, which run annually from the date purchased.

Level 1 - £250 per year:

- Company logo added to the Futura Learning Partnership, Business Partnership website page with a link to your company website.
- Company details supplied to the trust's careers departments. Access to talent pool of learners for work experience, internships and placements.
- Logo added to both sports centres TV screens located in the receptions on its rolling playlist.
- Use of Futura Learning Partnership logo on your website and press releases. This will show your business demographic how you support your local community and invest in their futures.

Level 2 - £750 per year

- As per level 1 plus
- To be added to the appropriate internal school/trust address book/contact list for all our schools and both sports centres. You are then on the school's list as a company to contact if and when your services are needed. EG opportunity to provide the school with a quote for the job*.
- Company profile and logo to be featured in the Futura Learning Partnership Commercial Services Newsletter. This is received by all members of staff (800 + staff members)
- Logo added to both sports centres TV screens located in the receptions on its rolling playlist.
- 1 quarter page advert to appear once a year in the Futura Learning Partnership Commercial Services Newsletter to secondary parents'/guardians**.
- One free membership to SBL and Wellsway Sports Centres.
- Discounted corporate sports centres gym and class membership packages.

Level 3 - £1350:

- All benefits as per Level 1 & 2 plus
- 1 quarter page advert to appear once a year in the Futura Learning Partnership Commercial Services Newsletter to secondary and primary school parents'/guardians.
- 1 half page size advert in the Futura Learning Partnership Commercial Services Newsletter to all trust members of staff.
- One 2m banner on one of the sports centre's high profile floodlit 3G/Astro pitch and games area. You can choose either SBL Sports Centre or Wellsway Sports Centre. Includes production cost. Seen by thousands of community users and clubs each week.
- Two free memberships to SBL and Wellsway Sports Centres.

Level 4- £2250:

- All benefits as per Level 1, 2 & 3 plus
- Advert to appear in each of the Futura Learning Partnership Commercial Services Newsletter
- Logo and company link on the Futura Business Partnership business page and on both sports centre's business partner page on the sports centres websites.
- One 2m banner on both the sports centres high profile floodlit 3G/Astro pitch and games areas at SBL Sports Centre and Wellsway Sports Centre
- Four free memberships to SBL and Wellsway Sports Centres.

All prices + vat

Levels 3 and 4 can be paid in 4 instalments on request.

* We do not guarantee you work only the opportunity to quote if you are approached.

** Adverts can not be a 'Job Vacancy' to staff or parents/carers
