*Flexible party numbers (depending on venue and activity)*

*"The party was absolutely brilliant and excellent value for money! It was so easy and everything was set up ready when we arrived. Loads of room and freedom and all the kids ranging from 5 years to 12 years had the best time! The multi-sports set up worked perfectly and it was great having the option for music although we found we didn't need it. We will definitely be booking again in March for our middle son. Thank you to you all so much, it really took the stress out of what can be a really challenging thing!" Mrs T*

We would always advise children to wear appropriate footwear and clothing. The party organiser has to stay with the party at all times. You will have access to water for drinks. \*Excludes Roller Disco and Dance
