

WELLSWAY MULTI ACADEMY TRUST FACILITIES, MEETINGS AND EVENTS

Within the Multi Academy Trust we have 2 sports centres, 5 secondary schools and 7 primary schools. All the schools have a range of facilities, ranging from sports halls and dance studios, to lecture auditoriums and drama theatres.

We have hosted events such as large staff conferences for over 600 people, week long drama productions for community groups, and regular weekly exercise classes.

All facilities and spaces can be adapted to suit your needs, we have IT and AV support if requested, in house catering, and a dedicated events manager from start to finish.

Wellsway Sports Centre

Wellsway Sports Centre is located on the same site as Wellsway School and is home to many local sporting clubs. Within the Sports Centre we have:

- 6 badminton court sports hall
- Dance studio with bar and mirrors
- Full sized astro turf pitch, suitable for hockey and football
- 2 x conference rooms with IT and screens
- Fitness suite
- 3 x full sized rugby grass pitches and 2 x full sized football grass pitches
- Treatment room

For several years we have hosted the WMAT all staff conference in the sports centre, seating over 600 people with a large stage and screen erected for presentation deliveries. The 2 conference rooms also give opportunity for breakout sessions.

Wellsway School

Wellsway School, located in Keynsham, is a comprehensive school for children ages 11-18 years old and has a wealth of facilities including 3 large school halls and numerous classrooms. This venue is perfect for those looking for several breakout rooms, and also for those looking for drama productions.

Mendip Hall – Mendip is our largest hall and is regularly used for school productions and external exercise classes. The hall can seat around 250 people, has a staging area with wings, and has full AV and lighting capabilities.

Lansdown Hall – Lansdown is our second largest hall and located in the Lansdown Building. The hall currently hosts social groups and exercise classes on weekday evenings.

Glastonbury Hall – The floor in Glastonbury has recently been renovated and is perfect for those looking for some seclusion – with its own entrance and next to the car park, Glastonbury would be suitable for those wanting to stay in one place.

Classrooms – Wellsway School has numerous classrooms of differing size. All have IT and a projector.

SBL Sports Centre

SBL Sports Centre is located on the same site as SBL Academy and is home to local football clubs, dance groups and gymnastics groups. SBL Sports Centre has the following facilities:

- 4 badminton court sports hall
- 2 x dance/gymnastics studio
- Spin studio which can be adapted to another conference room
- Full sized FA approved 3g pitch
- Conference room with IT and screens
- Fitness suite
- Café
- Treatment room

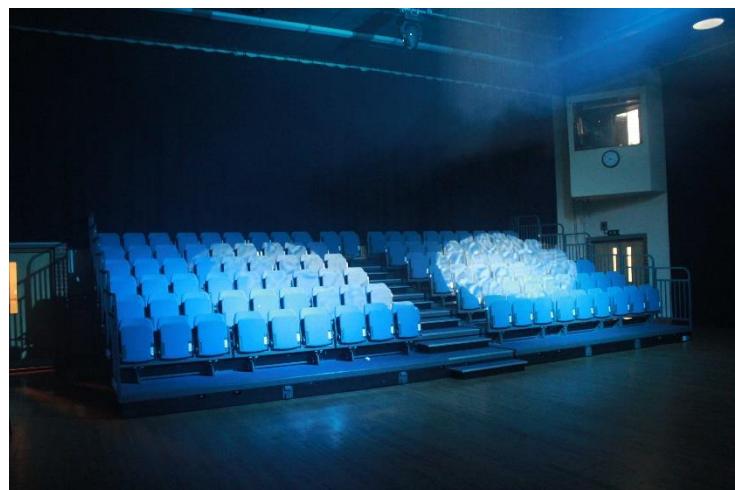

SBL Sports Centre regularly hosts courses for National Governing Bodies of Sport; the combination of the practical facilities, a classroom and café area makes SBL Sports Centre the perfect place to host events all in one place.

The Warmley Room – located less than a mile from SBL Sports Centre is The Warmley Room is a purpose built facility comprising of a function room large enough to seat 60, a kitchen, changing rooms, and ample parking.

SBL Academy

Located in Oldland Common, SBL Academy is a secondary school for 11-18 year olds. Like the other schools, SBL Academy has a wealth of classrooms perfect for breakout sessions. SBL also has a large drama theatre, with tiered seating and full lighting and sound. The tiered seating with the combined free standing seating can accommodate approximately 150 people. The theatre has a large screen, making it the perfect environment for a professional lecture, or a drama/musical performance.

The Bath Studio School

The Bath Studio School is a specialist digital media and film academy. The facilities and equipment within the school are state of the art and designed to help users gain real life experience of working within the film and digital media industry. The facilities are The Bath Studio School include:

- TV studio
- Photography studio
- Mac suite
- Computer suite with adjoining conference rooms
- School hall
- Numerous classrooms

The Bath Studio School is a specialist environment, perfect for those studying or working within the digital media or film industries. The computer room is also an ideal venue for those looking to hold group training sessions or computer based qualifications.

IKB Academy

The IKB Academy is a specialist Maths, Science, Technology and Engineering based school in Keynsham, Bristol. The school offers fantastic new and industry specific facilities such as engineering workshops and science laboratories. IKB Academy also has a lecture auditorium, with tiered seating, IT and sound. The lecture theatre is extremely impressive and spacious, perfect for those looking for a professional environment to deliver presentations or seminars. The large refectory area in the middle of IKB Academy also offers the opportunity for refreshments and networking.

Primary Schools

We have the following primary schools within our Trust:

- Chandag Infants School, Keynsham
- Chandag Juniors School, Keynsham
- St John's C of E Primary School, Keynsham
- Saltford Primary School, Saltford
- The Meadows Primary School, Bitton
- Cheddar Grove Primary School, Cheddar Grove
- Wansdyke Primary School, Whitchurch

All of our primary schools have a school hall, multiple classrooms and outdoor areas including playing fields. The school hall's would be suitable for social groups, community residents or children's parties. We partner with several children's entertainers, making us a one stop shop if you are looking for a celebration.
